CLIENTS

Real clients, **real systems**

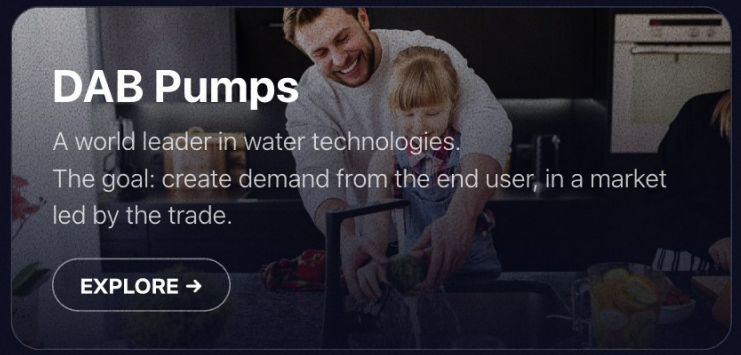

A few examples from the companies we work with. Pick one to see the system we built.

vVardis

A Swiss unicorn with a drill-free treatment for caries.
The goal: make it the new standard in dental practices.

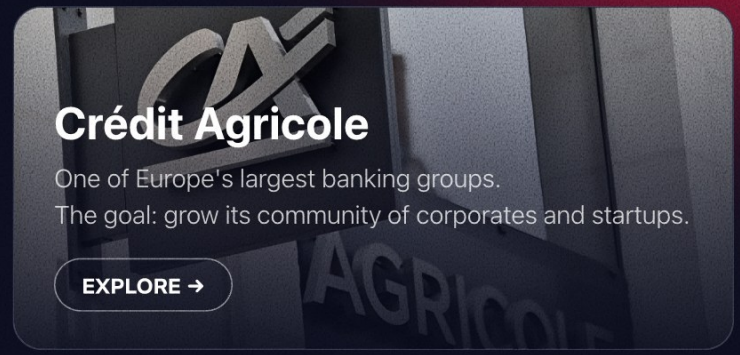

EXPLORE →

DAB Pumps

A world leader in water technologies.
The goal: create demand from the end user, in a market led by the trade.

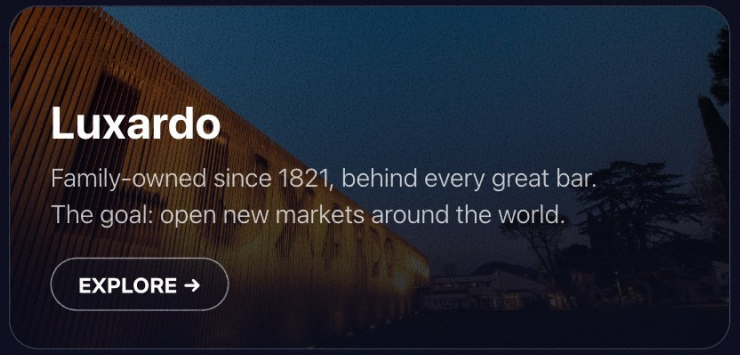

EXPLORE →

Crédit Agricole

One of Europe's largest banking groups.
The goal: grow its community of corporates and startups.

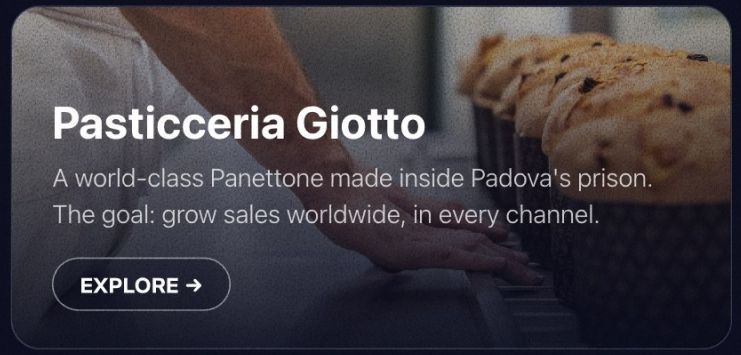

EXPLORE →

Luxardo

Family-owned since 1821, behind every great bar.
The goal: open new markets around the world.

EXPLORE →

Pasticceria Giotto

A world-class Panettone made inside Padova's prison.
The goal: grow sales worldwide, in every channel.
